Mr. A. C. Lord;

Attached is our bid for tires and tubes for your 1978 use. Our Non-Collusion Affidavit is enclosed and signed. Our Affirmative Action Program is on file.

Our prices on tires and tubes are firm for the period 1-1-78 thru 12-31-78. We maintain an inventory in passenger, truck and off-road tires. Our service trucks are equipped and service men are trained in commercial tire service work which will be an asset to the City of Fort Wayne. All Departments of the City are invited to use our tires and service.

All tires and tubes supplied carry Manufacturers Standard Warranty. Any tire which fails due to defect in workmanship or material, will be replaced on a no-charge basis if not worn more than 10%. Beyond 10% tread wear, a replacement will be made at a charge computed on a basis of the percentage of tread wear which the tire delivered.

We are enclosing price list of Gillette and Medallion brands of tires and tubes. Our service price sheet is attached and 24 hour tire road service is a very common item at Allen County Tire.

Thank you,

Keith L. Hahn
